To Joseph Heathcott Esq

The Chairman of the

Parish Council, Chapelendleforth.

After discussing the matter for some time
The Council went to view the site of the
alleged encroachment. On their return

Mr Reynolds proposed Mr Keyworth seconded
 That the following reply be sent to the
 Requisitionists—

Reply sent
 to the
 Requisitionists

The Parish Council having fully investigated
 the question raised in your communication of the
 14th inst, has come to the conclusion that in its
 opinion the plans for the proposed Erections
 show an undoubted encroachment upon the public
 right of way. Further that in consideration of
 the fact that the existing way will be in one place
 widened by the proposed new building, and
 further that Mr^s Walton is prepared to take
 down the Brick Building now existing and
 to restore the site thereof to the road, and
 further that from a Sanitary point of view the
 new erection would be an improvement; the
 Council considers that in this case it is not
 desirable for it at present to take any action in
 the matter

Carried unanimously

It was also proposed by Mr Lomas (J) and
 Seconded by Mr Keyworth

Copy to be sent
 to the District
 Council

That the Clerk write to the District Council and
 inform them of the Parish Council having received
 a complaint of an alleged encroachment being made,
 and also to forward to the District Council a Copy
 of the Parish Council's Reply to the requisitionists.
